	Ho Chi Minh City		

For:
6234 Triengen, Switzerland

Products: See Attachment - 1 page

The undersigned confirms that:

- the above mentioned products are intended for use on human skin
- these products were manufactured under strict hygienic conditions, according to the rules of Good Manufacturing Practice, and are in conformity with the Swiss Federal Regulations on Commodities and Cosmetics
- these products can be freely sold in Switzerland
- these products are not, to the present state of knowledge, harmful to human health
- the company that produced these goods has implemented a quality assurance system
- these products do not contain animal-sourced materials such as brain tissue, nerve materials, internal organs, placenta or blood (including blood extracts) from cows and sheep coming from countries or regions having the Mad Cow Disease epidemic. Therefore, the Bovine Spongiform Encephalopathy (BSE) / Transmissible Spongiform Encephalopathy (TSE) issue does not concern these products to the best of our knowledge.

Official authority attestation

The undersigned Official Food Law Enforcement Authority certifies that these cosmetics and their ingredients brought into circulation in Switzerland must be produced according to the Swiss Federal Commodity and Cosmetic Directives. According to these regulations, the products do not only have to be produced under faultless hygienic conditions but above all may not contain any substances which could be harmful to health in character or amount. In this respect the manufacturing company is under regular control by the official food law enforcement authorities.

The head of the official authority: Ursula Senft
Official Food Control Authority of the Canton of Zurich
Fehrenstrasse 15, Postfach, 8032 Zurich, Switzerland
